

Twin City Figure Skating Association
Club Forum Policy
(Implemented 10/4/10 on a 6 month trial basis)

Two of the purposes of the Twin City Figure Skating Association is to foster, promote, improve and encourage the sport of figure skating among youth under 18 years of age in Minnesota and to promote cooperation between the member clubs. To further that mission the following policy has been adopted effective 10/4/10.

1. At the end of each regularly scheduled TCFSA meeting, the president will open Club Forum and ask for club announcements. Any club who wishes to do so may share information about recent or upcoming events or news of their club. The information should be brief and of interest to other clubs.

Some suggested items to illustrate the type of information to be shared are as follows:

- “The application for our ____ Competition is now available on our website. It is due 0/0/00.”
- “We are hosting the 20__ Sectional Competition. Check our website for details.”
- “Our site for the 20__ Sectional Competition has been updated with hotel, vendor & ticket information. There is a link through our club website.”
- “We tried a new fundraiser for our club that worked very well. Contact me if you want more information.”
- “Our holiday show is 0/0/00. Check our website for details.”
- “We are hosting a fitness clinic on 0/0/00 that is open to all skaters. Check our website.”
- “There are open spots on our test session on 0/00/00.”
- “Selecting soloists for our ice show is always an issue. Does anyone have a tried and true method?”
- “We are looking for fundraising ideas for our synchro team. Does any club have some suggestions?”

These are merely examples to set the tone of the information that can be shared.

2. This forum cannot be used to solicit volunteers for any member club sponsored event.

3. This forum cannot be used to share information that could be perceived as a solicitation of skaters from other clubs to join your club or synchronized skating team (i.e., auditions for synchro teams is not an acceptable announcement.)
4. TCFSA is merely facilitating this forum for sharing information among our member clubs. It is not endorsing or sponsoring any of the events nor has it reviewed any of the information shared for accuracy.
